- Tryouts will be the first week of practice. Varsity players will be selected based on experience, ability, potential, commitment, and attitude. There will also be a junior varsity program for players to have the opportunity for more development.
- Season schedule will be provided at parent meeting after varsity selection.
- Varsity letters will be awarded to players who participate in at least half of the season matches and/or Divisionals. This will be at the coach's discretion.

Possible Issues:

- Weather – in case of inclement weather, there may be alternate practice locations and times. It is important to provide accurate contact information and communicate. I use the Remind App to communicate any changes to the team.
- Injuries – let the coach and/or trainers know immediately.
- Behavior – follow all district policies regarding personal conduct and possessions.
- Social Media – do not post anything publicly that violates district policies.
- Etiquette – be polite on-court and off.
- Health Insurance – this is the responsibility of your family. Refer to district website if you need to purchase insurance.
